2 - \$500.00 Scholarships will be awarded.

The Clark Rural Water System Board of Directors has chosen to award 2-\$500 scholarships to any high school senior whose immediate household is a paying member of Clark Rural Water System. Although a minimum 2.0 GPA and a "personal story" for each applicant is required, all who meet these prerequisites will have an equal opportunity to have their name entered into a random drawing to be held in conjunction with our May 19, 2022 Board Meeting. All applicants and/or their parents are welcome to attend this meeting if desired. The scholarship funds will be paid directly to the educational facility at the beginning of the recipient's second semester.
